"YOU" AS A MEMBER OF THE VETERINARY COMMUNITY:

Pet ownership is increasing in China at a dramatic rate due to the economic progress of our country. This has resulted in growing social problems due to irresponsible pet owners who do not vaccinate their pets, do not give them needed and timely medical care, do not spay or neuter their pets, or abandon them when they become inconvenient. This irresponsible behavior is the direct cause of stray dog overpopulation, increased rabies cases, contaminating public sanitation, the cruelty of mass culting.

"YOU" can play an ACTIVE role in promoting responsible pet ownership by advising the owners of your patients, your clients. your customers, the general public and government agencies on how to educate themselves and others about these issues, and to promote the general concept of kindness to animals.

THE MISSION OF ANIMAL GUARDIANS:

Animal Guardians is committed to the prevention of cruelty to animals from intentional or irresponsible actions, and the suffering that animals endure from those actions. We are promoting this message through legislation, raising awareness among the public, business community, universities and government agencies. We have provided substantial funding for capacity building projects, academic projects and providing research and advisory functions on animal cruelty, protection and welfare

OUR PARTNERSHIP GOAL:

Our GOAL is to propose an ethical component to the veterinary community that will not only enhance the morality of your profession, but will raise public awareness to adopt standards of animal care that will enhance the economics of your profession. Higher standards of morality and responsibility can only be a benefit to a harmonious society.

"I very much value morality. And I do believe that entrepreneurs, economists and statesmen alike should pay much more attention to morality and ethics." Wen Jiabao, August 23, 2009.

兽医

您的职业让您与动物最亲密。依靠您的专业服务,他们的一生得到高水准的医疗和关爱,受惠于此,动物与主人相处相伴其乐融融。

您心怀仁慈与同情为动物消除痛苦治疗病患,在防御的第一线帮助动物不受到虐待。

由此可见, 您在人与动物和谐社会的进程中是多么的重要。

您的作用

随着中国经济的发展,拥有伴侣动物的家庭激增。但是,有些动物主人没有给动物实施免疫、及时的医疗、绝育,甚至抛弃动物。由于他们不负责任的行为,造成越来越多与此相关的社会问题,也直接导致了流浪动物数量和狂犬病案例的增加,公共卫生问题和大规模的屠杀犬只事件。

您能发挥重要的作用。 您的客户、顾客、动物主人、供应商、一般公众和政府机构都能从您这儿了解到如何做负责任的养宠公民、善待动物及不让动物受到虐待和痛苦的信息。

动物守护神的使命

本公益机构致力于防止有意或不负责任的行为导致动物受到虐待和痛苦;祈望通过立法、教育领域、研究领域、商业领域和政府机构向公众传递这些信息以便提高全社会对此问题的认知。 为促进这个目的,我们向教育、研究领域提供有关防止虐待动物、保护动物和动物福利的研究和谘询的资料及资助。

我们的合作

与您合作的目的是要在兽医界促进一个道德要素,这不但可以提升职业道德观念,同时也可以提高社会的关注,进而采取爱护动物标准,帮助提高兽医界的专业发展和经济效益。这些发展能强化社会文明。更高的道德标准和责任感对一个和谐社会一定有所俾益。期待着与您和参会者合作,以明智的策略解决这些严重的问题。

"深切地关注着那些正遭受苦难的生灵并为保护他们勇敢地奋斗"

"YOU"

AS A MEMBER OF THE VETERINARY COMMUNITY

YOU are the closest person to the animals under your supervision and care. The owners of these animals depend on YOU to provide them with high quality and compassionate care for their lifetimes. YOU provide the necessary services that allow these animals and their owners to experience the joy of their relationship. YOU are the first line of defense to prevent cruelty to animals, to offer them kindness and compassion, to relieve their suffering. YOU are the key to the progress towards a more harmonious society for humans and animals.

THE PROBLEMS THAT "YOU" CAN HELP SOLVE

Pet ownership is increasing in China at a dramatic rate due to the economic progress of our country. This has resulted in growing social problems due to irresponsible pet owners who do not vaccinate their pets, do not give them needed and timely medical care, do not spay or neuter their pets, or abandon them when they become inconvenient. This irresponsible behavior is the direct cause of stray pet overpopulation, increased rabies cases, sanitation problems and the cruelty of mass culling.

YOU can play the most important role in promoting responsible pet ownership by advising the owners of your patients, your clients, your customers, your suppliers, the general public and government agencies on how to educate themselves and others about these issues, and to promote the general concept of kindness to animals and the prevention of cruelty and suffering.

THE MISSION OF ANIMAL GUARDIANS

Animal Guardians is committed to the prevention of cruelty to animals from intentional or irresponsible actions, and the suffering that animals endure from those actions. We are promoting this message realistically through supporting legislation and raising public awareness throughout the business community, primary and secondary schools, universities, conferences and government agencies. We have provided substantial funding and strategic consulting for capacity building projects in these areas and have also provided research and advisory functions on animal cruelty, protection and welfare issues to numerous entities in China.

OUR PARTNERSHIP

Our goal is to partner with YOU and to promote an ethical component to the veterinary community that will not only enhance the morality of your profession, but will raise public awareness to adopt standards of animal care that will enhance the economics of your profession. Higher standards of morality, ethics and responsibility can only be a benefit to Chinese society and its animals. We look forward to working with YOU, the attendees of this conference, in developing sensible strategies to help solve these serious problems.

"We must not turn our eyes and hearts away from that which they cannot turn their bodies"
